0 - ~35

dark yellowish bn foram-rich calc clay

Some MnOx stained zones

11-13 18-20

burrowed

Iron stains, irregular, blotchy

33-37 - NO rusty crust

~35 to 105

olive gray clay 5Y 4/1

forams common

slight burrows

90-92 subtle iron stains

105-107 slight irregular contact

105 - 150

generally more brownish

gray approaching

5YR 4/1

120-121 iron stain + some red bn clay

130 reddish bn crust

subtle zones colored

dk reddish brown

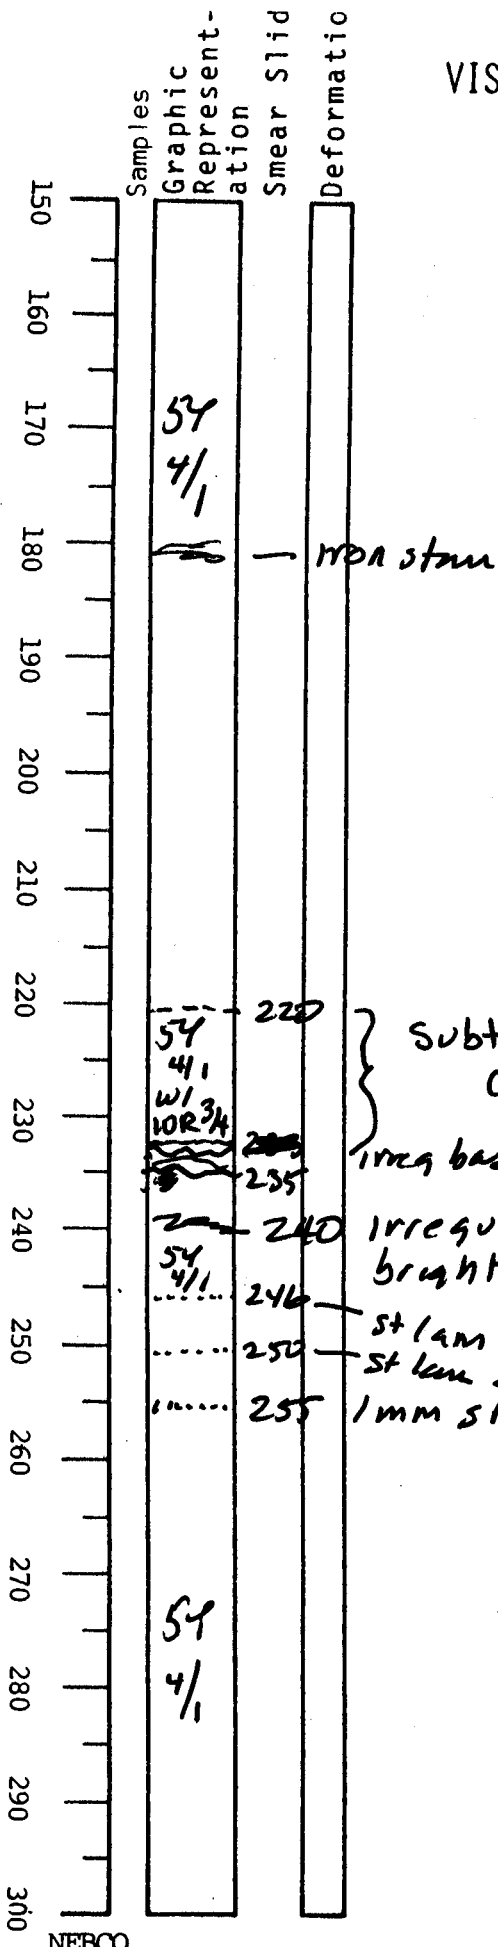

10 YR 3/4 (brick red)

135-136 lighter gray slightly dipping

reddish brown by inclx & exotic last 137-base reddish clay
